La collezione è proposta nella finiture laccata opaca o effetto metallo, in essenza di Rovere, Noce, Frassino o in massello di Rovere.

La struttura interna è sempre laccata opaca nello stesso colore dell'esterno o nei colori abbinati alla finitura esterna se prevista in legno.

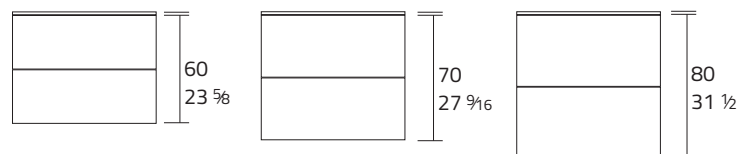

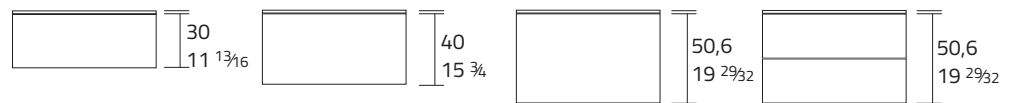

La collection est proposée dans des finitions laquées mates ou effet métal, en chêne, noyer, frêne ou chêne massif. La structure interne est toujours laquée mate dans la même couleur que l'extérieur ou dans des couleurs assorties à la finition extérieure si celle-ci est en bois.

The collection is available in matt lacquered or metal effect finishes, in oak, walnut, ash or solid oak. The internal structure is always matt lacquered in the same colour as the exterior or in colours matching the external finish if wood is used.

Die Kollektion ist in matt lackierter oder Metalloptik-Ausführung sowie in Eiche, Nussbaum, Esche oder massiver Eiche erhältlich. Die Innenstruktur ist immer matt lackiert, entweder in derselben Farbe wie die Außenseite oder, bei Verwendung von Holz, in Farben, die zur Außenausführung passen.

## Basi • Contenitori

L'articolo si intende impiallacciato in Rovere, Noce o Frassino esclusivamente per i fianchi esterni, le antine e i frontali dei cassetti.

La direzione della venatura è sempre verticale. Il colore interno, se non richiesto diversamente nell'ordine, è quello indicato nello schema di seguito in base al colore e tipo di legno.

La struttura interna dei cassetti è in metallo: sistema Legrabox Blum.

## Pensili • Colonne

L'articolo si intende interamente, esterno ed interno, impiallacciato in Rovere, Noce e Frassino. La direzione della venatura è sempre verticale.

## Bases • Conteneurs

L'article a des finitions en Rouvre, Noyer ou Frêne plaqué exclusivement pour les joues externes, les portes et les façades des tiroirs.

La couleur intérieure, sauf indication contraire dans la commande, est celle indiquée dans le schéma ci-dessous en fonction de la couleur et du type de bois.

La direction du grain est toujours vertical. La structure interne des tiroirs est en métal: système Blum Legrabox.

## Meuble hauts • Colonnes

L'article est entièrement en finition Rouvre, Noyer ou Frêne, à l'intérieur et à l'extérieur. La direction du grain est toujours vertical.

## Bases • Container

This item has a Oak, Walnut or Ash veneer wood finish only in the outer sides, doors and fronts of drawers.

The inner color, unless otherwise requested in the order, for the Wall collection is the one indicated in the diagram below based on the color and type of wood. The grain direction is always vertical.

The internal structure of the drawers is in metal: Legrabox Blum system.

## Wall cabinet • Cupboards

This item has a Oak, Walnut or Ash finish both inside and outside. The grain direction is always vertical.

## Basiselemente • Behälter

Diese Artikel sind ausschließlich an den Außenwänden, den Türen und Schubladenfronten mit Eiche, Nussbaum oder Esche ausgestattet.

Ist bei der Wall-Kollektion die in der nachstehenden Abbildung angegebene Farbe und Holzart, bei der Wave-Kollektion die Farbe des Aluminiumrahmens der Schublade. Die Kornrichtung ist immer vertikal. Die innere Struktur der Schubladen besteht aus Metall: Legrabox Blum-System.

## Hängeschränke • Hochschränke

Diese Artikel sind vollständig, außen und innen mit Eiche, Nussbaum oder Esche Furnier ausgestattet. Die Kornrichtung ist immer vertikal.

## W

### Rovere Wood - Rouvre Wood - Oak Wood - Eiche Wood

#### Basi · Pensili · Colonne

L'articolo si intende realizzato esternamente in massello di rovere selezionato, composto da doghe che possono comunque presentare differenze di tonalità tipiche del legno naturale non definibili difetti del materiale. Sono utilizzati pannelli in rovere a tre strati incrociati per garantire una maggiore stabilità nel tempo. Il colore della struttura interna, se non richiesto diversamente nell'ordine, quello indicato nello schema di seguito.

#### Contenitori

L'articolo si intende realizzato interamente in massello di Rovere come descritto precedentemente. La struttura interna dei cassetti è in metallo: sistema Legrabox Blum.

#### Bases · Meuble hauts · Colonnes

L'article est réalisé à l'extérieur en rouvre massif sélectionné, avec des panneaux qui peuvent avoir des nuances différentes typiques du bois naturel et qui ne peuvent pas être considérés des défauts du matériel. On utilise des panneaux en rouvre massif à trois couches croisées pour garantir une meilleure stabilité dans le temps. La partie interne est toujours laquée mat, sauf indication contraire dans la commande, le couleur est celle indiquée dans le schéma ci-dessous.

#### Conteneurs

L'article est entièrement réalisé en chêne massif comme décrit ci-dessus. Structure interne des tiroirs en métal: system Legrabox Blum.

#### Bases · Wall cabinet · Cupboards

The article is externally realized with selected solid oak, made of panels that may present different color shades, which is typical of the natural wood and cannot be considered a defect of the material. Panels are made of three crisscrossing layer to grant a greater stability in time. The interior is always matt lacquered, unless otherwise requested in the order, the colour is that indicated in the diagram below.

#### Container

The article is intended to be made entirely of solid Oak as described above. Drawer inner structure in metal: Legrabox Blum system.

#### Basiselemente · Hängeschränke

Der Artikel bezieht sich außen auf massiv ausgewählter Eiche, bestehend aus Paneele die unterschiedliche Farbtönen haben können, das typisch von Naturholz ist und kein Defekt des Material darstellt. Die Platten werden in drei überkreuzten Schichten realisiert um langfristig eine höhere Stabilität zu gewährleisten. Der Innenraum ist immer matt lackiert, sofern in der Bestellung nicht anders angegeben, die Farbe die in der folgenden Abbildung angegebene.

#### Behälter

Der Artikel ist vollständig aus massivem Eichenholz hergestellt, wie oben beschrieben. Innenstruktur des Schubladen aus Metall: Blum Legrabox System.

## Cassetto interno - Tiroir intérieur - Inner drawer - Innenschublade

Il cassetto interno è installabile solo dove indicato. Attrezzatura interna non compresa.  
Le tiroir intérieur peut être installé lorsque indiqué. Equipement interne non inclus.  
The inner drawer can only be installed where indicated. Internal equipment not included.  
Die innere Schublade kann nur dort installiert werden, wo dies angegeben ist. Interne Geräte sind nicht enthalten.
